Additional financing structures available • Contact your Elevate sales representative for more information

*Estimates = List Total x rate factor (List Total: USD 30,260.83). Based on strong credit; final rate dependent upon credit approval.

The sale of the products and services identified in this quotation is subject to Elevate Healthcare's Education Products General Terms and Conditions and its related End-User License; if an option for Maintenance Services is offered and accepted, it is subject to Elevate Healthcare's Support and Maintenance Terms and Conditions; if an option for Training is offered and accepted, it is subject to Elevate Healthcare's Training Policy, all of the above being and available on the Elevate Healthcare website at www.elevatehealth.net

In the event of the sale of a LearningSpace System, Customer will be required to sign Elevate Healthcare's LearningSpace Agreement before any order is accepted by Elevate Healthcare. The LearningSpace Agreement will be provided to Customer directly.

Elevate Healthcare will normally ship all products ordered within a single shipment. If this is not possible due to inventory demands, Elevate Healthcare may elect to ship Products as partial shipments. If such partial shipment is not acceptable, please indicate to Elevate Healthcare when placing your order. Elevate Healthcare will, unless otherwise stated within the purchase order, ship all product within 90 days of receipt of the purchase order.

All sales are final. Any Training must be scheduled and completed within six (6) months of the date in which any associated simulator is received by the customer or purchased installation is completed.

Customer is responsible for the payment of any and all sales, use, consumption, turn over, excise, custom duties or other taxes and duties, including any tariffs and tariff related fees. Each party is responsible for corporate income tax levied and calculated on net income. The Customer is responsible to provide Elevate Healthcare with any valid sales tax exemption documentation at the time of quotation to ensure accurate sales tax determination. If Customer fails to supply Elevate Healthcare with the sales tax exemption documentation, Elevate Healthcare shall have the right to charge the Customer the appropriate jurisdictionally required sales tax and the sales tax must be paid by the Customer to Elevate Healthcare. Elevate Healthcare will remit the sales tax to the appropriate jurisdictional authorities. The sales tax and additional fees associated with the passthrough of any levied tariffs, as stated in the quotation is based upon the information (such as the ship-to address) submitted by the Customer, and is provided as an estimate. If the Customer information is modified, the sales tax amounts owed may change.

Elevate Healthcare will charge a surcharge of 3% ("Credit Card Surcharge") on the total transaction amount on payments made with a credit card. No surcharge shall apply to any payments made via wire, check, or debit card. The Credit Card Surcharge will not apply or may be adjusted in states or regions which otherwise restrict such charges.
