Career Technical Education Month®, or CTE Month®, takes place each February to celebrate the value and role CTE has in readying our students for careers and college. Today’s cutting-edge, rigorous, and relevant CTE prepares youth and adults for a wide range of high-wage, high-skill, and high-demand careers.

Tri-Cities ROP is celebrating CTE in the Whittier Union High School and El Rancho Unified School Districts. During LUNCH period, students will have the opportunity to learn about CTE and ROP programs through fun activities and engaging with CTE Instructors, current CTE students, and ROP College & Career Pathways Advisors.
