Tri-Cities ROP Educational Foundation Hosts 25th Annual “An Evening of Excellence” Student Awards Ceremony

WHITTIER, CA (March 21) – Tri-Cities ROP Educational Foundation will host its 25th Annual “An Evening of Excellence,” Monday, May 14, 2018. The *Evening of Excellence* is a student awards ceremony recognizing high school students who have excelled in their Tri-Cities ROP course(s) of study.

Tri-Cities ROP offers a rigorous and relevant career technical education program to approximately 4,000 students from the El Rancho Unified and the Whittier Union High School Districts.

The Evening of Excellence awards ceremony is traditionally one of the most highly-anticipated and well-attended events of the academic year. In 2018, approximately 70 students will be honored and granted scholarships in recognition of their academic achievements.

The Tri-Cities ROP Educational Foundation is now accepting advertisements for the event’s program. Rates range from \$75 to \$1,000. Deadline for ad submission is April 1, 2018. Please contact the Ms. Mia Burrola in the office of the Superintendent at (562) 698-9571 ext. 100 or mburrola@tricitiesrop.org for further information, or visit the Tri-Cities ROP website at www.tricitiesrop.org.
